AND GEORGE YABU ON DESIGN

# New York City, U.S.

From US\$6.25 million

Boasting unobstructed views of Chelsea Cove and the Hudson River Park, this Chelsea-district gem also features a private elevator, 24-foot-high ceilings and enormous walls that are an art collector's dream. The ensuite sky garage is an 8,000-pound-capacity freight elevator that whisks your car directly into your pad.
